4 - 5 ct | #133700

Yellow Watermelon

Known for their extremely sweet taste, sometimes described as honey. Yellow watermelons lack the antioxidant lycopene, which gives red watermelons their tint.

8 ct | #01-1049

Casaba

Casaba melons are not as sweet or flavorful as other melon varieties. However, casaba melon has the benefits of a long shelf life and juicy flesh with a cucumber-like flavor.

8 ct | #014900

Santa Claus

This oblong Spanish-style melon has a green patterned skin. It is also known as Christmas or Frog Skin, and has pale green to white flesh that is very sweet, juicy and tender.

8 ct | #01-3600

Crenshaw

A hybrid of Casaba and Persian melons. The Crenshaw features a waxy buttercup-yellow rind and tender juicy peach to salmon-pink flesh. It is sweet but not overwhelming.

8 ct | #014903

Hami Gold

This oblong, Chinese-style melon features a golden rind with light netting and a beautiful salmon-colored flesh. The flavor is crisp, refreshing and unique. (Sometimes marketed as Honey Kiss® Melon.)

8 ct | #015000

Orange Honeydew

This melon is a hybrid of the cantaloupe and honeydew, retaining some of the characteristics of both. These orange-fleshed melons are very sweet and juicy with a creamy taste.

8 ct | #01-11519

Juan Canary

Sweet like a cantaloupe, Juan Canary melon pairs well with citrus or ginger flavors. Canary melons are often slightly larger than cantaloupes or honeydew melons.

8 ct | #01-11394

Galia

Also known as an Israeli Melon, the Galia was originally developed in Israel and is a delicious combination of cantaloupe and honeydew varieties.
